EXPERIENCE

Lead Writer & Editor || Texas Senate – *Austin, Texas* ***Jan 2024 - Present***

- Authored 1,000+ Senate proclamations and resolutions on behalf of all 31 Texas Senators, synthesizing research material into legislative language aligned with Senate style.
- Analyzed thousands of documents for technical errors, inconsistencies, and factual accuracy.
- Applied editorial judgment and diplomacy when coordinating with senators to fulfill their requests while maintaining institutional guidelines.
- Executed time-sensitive writing and proofreading while maintaining accuracy and consistent editorial standards.

Editor-in-Chief || KTSW-FM 89.9 – *San Marcos, Texas* ***2022 - 2023***

- Developed original creative concepts to expand the publication's artistic scope.
- Managed content calendars and coordinated consistent multi-platform posting schedules.
- Mentored writers through drafting, revision, and publication processes.
- Built external media relationships and negotiated press access with entertainment industry representatives to expand coverage opportunities.

Assistant Director & Digital Strategist || KTSW-FM 89.9 – *San Marcos, Texas* ***2020 - 2022***

- Contributed to creative content planning and creation for online platforms.
- Edited short and long-form articles for clarity, structure, readability, and style.
- Analyzed audience engagement and performance metrics to inform digital strategy.
- Independently produced written articles and multimedia feature content.

Freelance Content Writer & Copyeditor || Game Rant - Reedsy - Boerne Lifestyle Magazine ***2020 - Present***

- Wrote original articles and editorial content across diverse subjects and formats.
- Adapted writing style and technical complexity to align with client objectives and target audiences.
- Reviewed manuscripts for clarity, consistency, grammar, pacing, and structural organization.
- Collaborated with clients to establish editorial priorities and project objectives.

SELECTED INDEPENDENT PROJECTS

Argo – Online Storefront Prototype || ***2026***

- Conceived and developed an original apparel brand, establishing its visual identity, creative direction, and product concepts.
- Independently designed 40+ original apparel graphics and merchandise mockups for integration into the storefront.
- Built an interactive e-commerce prototype featuring custom digital assets, unconventional navigation, and hidden artistic experiences.

Entre – Promotional Campaign & Creative Strategy || ***2026***

- Developed and executed a promotional campaign for a New York City–based startup that generated 2,000+ waitlist signups.
- Established campaign messaging and creative direction based on brand positioning, audience targeting, and conversion objectives.
- Designed original promotional assets integrating copywriting, graphic design, and brand identity.

Life as Death's Keeper – Investigative Journalism Project || ***2023***

- Self-directed, long-form project exploring morticians' personal beliefs on life, death, and life after death.
- Independently recruited project participants and conducted in-depth interviews.
- Produced original photographic documentation to complement interviews and support the project's narrative.
